

HAPPY 2022 CHARLOTTE PCEA!

I hope everyone had a fun and relaxing Holiday Season and have gotten back in the swing of things with ease. I am currently dealing with Covid myself, so not how I imagined the new year starting, but plugging along. I hope everyone else is staying safe and that 2022 is the beginning of the end of Covid, not just another chapter. I know we are all tired of dealing with it, but not much we can do at this point except make good decisions and continue to keep our distance from others (at least until this surge passes).

With that being said, we are going to hold-off on hosting a January meeting due to the new surge of cases and try to keep everyone safe. I hate starting the new year this way, but think it is the responsible thing to do at this point.

We will keep everyone posted for February and hope this surge passes and we can resume some normalcy next month and throughout the rest of the year.

Thanks everyone!

Andrew Ward, Charlotte Chapter President

PARTICIPATION • CONTRIBUTION

MISSION STATEMENT

To promote and improve the construction industry through education of the Association's membership and education of young people.

The Association will work to define and encourage high ethical standards of conduct among its members and will promote the fraternity of the construction industry through social interaction.
